*Invade My Life:*

- Father, You made me!
- I come from You!
- I am Your child!
- Above anything else, I love you!
- I thank you for sending Your Son.
- He came to die, that I might have grace to be free from sin, not so I can freely sin!
- Father, open my eyes, let me know You!
- Give me revelation so I can help change this world!
- Let it start in my home!
- Remind me in the morning to declare & decree what you want for me!
- Father we agree as the body of Christ on this earth, we want Your will done, your way, just like it is in heaven!
- So I give you permission to invade my life, my mind, my soul, my spirit!
- Come and take control!
- Expose anything in me that you don't want there - I give you permission!
- And Father, invade this land!
- Let heaven come and make a habitation in this land where I live!
- I desire to live to see the day of Your Power take place on this earth, when this country and this world will know there is a God.
- I decree it! Amen!
