

*Declarations – Kat Kerr – “Heaven Touching Earth” September 26, 2013*

*Morning declaration:*

- Father – You are the Most High God!
- You’ve created the heavens and the earth, and it all belongs to You!
- I trust You that You have plans for me, for my family.
- You are our protector!
- You are our provider!
- It doesn’t matter what’s going on in this world, my trust is in You!
- I want Your presence in my home!
- I want You to invade every one of my family member’s life!
- Help us to lay down our differences and stop fighting!
- Let the world see Your love in us!
- I ask for and receive grace for this day – fuel from heaven!
- Thank you!
